Subject: U&O Consultation on for Monday
Ute BC Talking Points Reservation Spec FIP 2-17-16.docx

Shaun and Deb, I learned late this afternoon that the tribal consultation on the U&O FIP and (I think) the national O&G rules is scheduled for 8:15 Denver time on Monday (2/22/16). It sounds like Janet and Debbie will be able to participate. As you are both traveling on Monday I let Carl know that you would likely not be able to participate. The Air Program provided an updated version of the last consultation talking points paper that had been developed to Janet's office today. A copy of which is attached.

If you have any questions or need additional information, please let us know.

Thanks!
D
